As I lay this all to rest shadows appear reminding me
Of all things left unsaid unsaid

Maybe one day you'll believe that I will crawl
I will crawl on broken knees

It's beyond what you really need forcing it all out of you
Will I make your life complete come clean

Maybe one day you'll believe that I will crawl
I will crawl on broken knees

Am I the sorrow that you won't reap?
Am I the secret that you can't keep?
I won't stop until I'm complete
And I won't stop until you believe

I won't stop until you need, you need, you need me

Just maybe one day you'll believe that I will crawl
I will crawl on broken knees

Maybe one day you'll believe that I will crawl
I will crawl on broken knees

That I will crawl on broken knees
That I will crawl on broken knees
That I will crawl on broken knees
I will crawl on broken knees
