I felt so alone.
I felt so alone.
I felt so alone.
I felt.

You left feeling so empty and needing.
Can't see the glitter in you
Go away. Go away.
You called me all the time./Go away. Go away.
Hiding behind your lies./Go away. Go away.
Materialistic/Go away. (Scream)
Go away!

You don't know what it's like
To be
Dead inside!
You don't know what it's like
To be
Dead inside!

You called him a friend
To help you get through it.
I see your true face now.
Your face (now)
Go away.
Well my tears are gone./Go away. Go away.
I am happy now./Go away. Go away.
Thanks for making it clear./Go away. Go away.
Go away!

You don't know what it's like
To be
Dead inside
You don't know what it's like
To be
Dead inside

I am dead to you!
You take my heart
And use it as a tool!
I wish that this would just
Go away!

You can't find love!
You can't cry tears!
You won't be
Crying alone!

(Growl)/Dead inside
Dead inside
Dead inside
Dead inside
Dead inside
Dead inside
Dead inside

Who are you today?
Another face is erased.
Who are you today?
Another face erased

Who are you today?

(Growl)
Dead Inside

(Scream)

You don't know what it's like
To be
Dead Inside.
You don't know what it's like
To be
Dead Inside.

(Scream)
I'm dead inside!
Dead inside/Dead inside
(Scream)
Dead Inside
