Do you believe in me
Enough to sacrifice?
Do you believe in me
Enough to end your life?

Do you believe in me
Enough to kill for me?
Do you believe in me
Enough to die for me?

Come on and join me
Grab my hand
Together, we will feast
On the blood of the weak

Empire, destroying dignity
Empire, destroying humanity
Empire, destroying dignity
Empire, destroying humanity

When you walk the path
You will discover a world undreamed of
Your suffering will be legendary

Do you believe?
Do you believe in suffering?

Do you believe in me
Enough to slay your brother?
Do you believe in me
Enough to betray your family?

Come on and join me
Grab my hand
Together, we will feast
On the blood of the weak

Empire, destroying dignity
Empire, destroying humanity
Empire, destroying dignity
Empire, destroying humanity

When you walk the path
Your feelings won't betray you
When you walk the path
Your agony will elate you

Empire, destroying dignity
Empire, destroying humanity
Empire, destroying dignity
Empire, destroying humanity, destroying humanity

Empire
