Oh, it's opening time  
Down on fascination street  
So let's cut the conversation  
And get out for a bit

Because I feel it all fading and paling  
And I'm begging  
To drag you down with me  
To kick the last nail in

Yeah, I like you in that  
Like I like you to scream  
But if you open your mouth  
Then I can't be responsible

For quite what goes in  
Or to care what comes out  
So just pull on your hair  
Just pull on your pout

And let's move to the beat  
Like we know that it's over  
If you slip going under  
Slip over my shoulder

So just pull on your face  
Just pull on your feet  
And let's hit opening time  
Down on fascination street

So pull on your hair  
Pull on your pout  
Cut the conversation  
Just open your mouth

Pull on your face  
Pull on your feet  
And let's hit opening time  
Down on fascination street
