Images still in my head of you dead
I wish I could take them away instead
I sit in my room alone and cry over my loss
Will anything ever be the same?

I wish I could imagine you happy
A life of ecstasy that would be
good enough to stop the pain that lingers
In my heart I know I would be content

It's your forced life
It's your forced life
It's your forced life
Doesn't it feel the same to you?
Doesn't it feel the same to you?
Doesn't it feel the same to you?
Doesn't it feel the same to you?

I sit and wonder
While you ponder
of pathetic items that bring you happiness
Those things that put a smile to your face
Are the things that kill me inside

ah ah ah ah Argh

I know deep down you have a good heart
But why am I never included in all of this?
I take you
inrise you up
yet my soul stays untouched?

It's your forced life
It's your forced life
It's your forced life
Doesn't it feel the same to you?
Doesn't it feel the same to you?
Doesn't it feel the same to you?
Doesn't it feel the same to you?

Nothing ever changes in your mind

Nothing ever changes

It's your forced life
It's your forced life
It's your forced life
Doesn't it feel the same today?
Doesn't it feel the same today?
Doesn't it feel the same today?
Doesn't it feel the same today?

It's your forced life
It's your forced life
It's your forced life

Stick your hate to me
Stick your...
I'll find a way to break free

Stick your hate to me
Stick your...
I'll find a way to break free

Stick your hate to me
Stick y
