Too tired to figure it out
My head is spinning
My heart is so drained right now
I think I'm slipping

On my last nerve
I'll get what I deserve

I need this, I want this
I'm so obsessed, so obsessed
Pleasure in pain
I feel whole again

I break the seal with my hand
As my blood starts pumping
Screams ring out so loud
Right now, so deafening

On my last nerve
I'll get what I deserve

I need this, I want this
I'm so obsessed, so obsessed
Pleasure in pain
I feel whole again

I need this, I want this
I'm so obsessed, so obsessed
Pleasure in pain
I feel whole again

You'll never forget my face
'Cause I need this, I want this
I'm so obsessed, so obsessed
Pleasure in pain
I feel whole again

I need this, I want this
I'm so obsessed, so obsessed
Pleasure in pain
Pleasure in pain
Pleasure in pain
