FUUUCCK!!!

I have told you things need to change!  
You never listened or came to my aid!  
The vicious cycle has not changed!  
My times spent rearranged!

Mother fuck it all!  
I can't stand this!  
Remember when I said  
Everyone makes me sick?!  
Well nothing has changed!

(CHORUS)

I hate everyone!  
I hate everyone!

The vicious cycle still remains!  
Constant cluster fuck, bloodstains!  
Ignorance, you kill for God!  
Expression not allowed!

You fucked it up!  
With your mother fucking games!  
Remember when I said  
I was so ashamed?!  
Well nothing has changed!

I hate everyone!  
I hate everyone!

You have to  
Pick and choose your fights!  
You have to  
Come out of this alive!

I have told you things need to change!  
You never listened, never came to my aid!  
The vicious cycle still not changed!  
My judgement fades away!

You'll never change me!

Remember we are through!  
I am staying here!  
To betray all of you!  
And nothing will change!

I hate everyone!  
I hate everyone!  
I hate everyone!  
And I hate and I hate everyone!
