One, Two, One Two Three
Come on

Stay awake to decide
Are you coming back?
Is this my sanity?
I can't forgive
Oh is it the same to me?
I can't take your place
I'll never see you, never flee from me

Severed
Severed
Severed
Severed

Lost lies in the house I bring
I can't fucking see
I can never pull your self from me
I can't focus
Libertine my "said to be"
I will never save you
Wait

Severed
Severed
Severed
Severed

Severed
Severed
Severed

Lead fucking drums, Mr. Andols Herrick

Severed, severed, severed
Severed, severed, severed
Severed, severed, severed

Thank you very much, you guys fucking rock

Thank you very much
