One's own king man
Christ person, woman God
At battle with a mass astringent
The bond that blends the weak to the wise

It's a safe assumption
You'd want to save me now
But I'll never face castration
For your sacred sow is left...

SLAUGHTERED!
SLAUGHTERED!

Brainwashed by me
Myself influence I
Bird brained world saver
Fake god dead inside you

It's a safe assumption
That you'd want to save me now
I'll never face castration
For your sacred sow is left...

SLAUGHTERED!
SLAUGHTERED!

System destroyed
Exposed and unplayed
The fruit of intention

Cry for their dead
But turning their head to ignore reality's claw

Knife to your wrist, syringe in your arm
Is your ounce of prevention

Give what you made
And under your name on your grave is salvation

Slaughter the pig, the self righteous king
For your own restoration

For God is in your chest
Faith kills what is precious
For death is unanswered

SLAUGHTERED!
SLAUGHTERED!

DO SIN!
DO SIN!
DO SIN!
DO SIN! YEAH!

OW! YEAH!
