There is a price to pay for freedom  
There is a price to pay for bliss  
What is it worth to you my friend  
What's more important in the end  
Black hole swallowing  
Mental Shattering  
Your violence has consumed you  
Deep down Breakdown  
Meltdown countdown  
Pitch Black Attack  
and there's no turning back cuz right now  
I've got my finger on the trigger  
And I'm ready to pull  
I've got my finger on the trigger  
And my sights aimed at you  
There's no easy way to say this  
There's no easy way to stop  
Will you look back on this day?  
And understand the reasons why?  
You are following  
The same path wallowing  
I wish you would wake up  
Deep down breakdown  
Meltdown countdown  
Pitch black attack  
And there's no turning back cuz right now  
I've got my finger on the trigger  
And I'm ready to pull  
I've got my finger on the trigger  
And my sights aimed at  
Aimed at you  
Black hole swallowing  
Mental shattering  
Your violence has consumed you  
Has consumed you  
Deep Down Breakdown  
Meltdown countdown  
Pitch black attack  
And there's no turning back cuz right now  
I've got my finger on the trigger  
And I'm ready to pull

I've got my finger on the trigger  
And My sight's aimed at  
Aimed at  
I've got my sights aimed at you
