"When Darkness Falls"

As you walk the path of least resistance
is it as simple as you claimed it to be
COME ON
your tounge, your eyes, your life, they do decieve you
your song, your eyes, your life, they do decieve you

I, stand firm, in my solidarity
the path i walk (the path i walk)
i walk it with my own resolve
when darkness falls (when darkness falls)
we are reborn
i dream since the fall of man
we are reborn

My beliefs are not, integrated
we are the whole
silence them all
with not just words
let resolution
be our voice

I stand firm in my solidarity
the path i walk (the path i walk)
i walk it with my own resolve
when darkness falls (when darkness falls)
we are reborn
i dream since the fall of man
we are reborn

We are the remnent
we the remnent, will silence them all
we are the faithful
we the faithful, will silence them all

silence them all!

When darkness
falls (when darkness falls)
we are reborn
i dream since the fall of man
we are reborn

when darkness falls (when darkness falls)
we are reborn
i dream since the fall of man

we are reborn
