Soft dreams, hey summer nights  
Wind blowin' gently through cloudy skies  
I see that moon shinin' in your eyes,  
Hypnotize, (yeah hypnotized)  
I'm hypnotized, (yeah hypnotized)  
I'm hypnotized, (yeah hypnotized)

Hey girl what's on your mind  
I want to love you all the time

You tell me mama what you want me to do  
I'll make love and sing my songs to you,  
Togeth-er, yea-ah

Soft sighs, moon and sun  
Laughin' together, being as one  
And like the rhythm of the changin' tides,  
Hypnotize  
We're hypnotized,  
We're hypnotized
