Your precious love  
Means more to me than  
Any love could ever be

For when I wanted you  
I was so lonely and so blue  
For that's, that's  
What love will do

And, darling, I'm so surprised  
Oh, when I first realized  
That you, you were fooling me

And, darling, they say  
That our love won't grow  
But I just want to tell them  
That they don't know

For as long as  
You're in love with me  
Our love will grow wider  
Deeper than any sea

Of all the things that I want  
In this whole wide world  
Is just for you to say  
You'll be my girl

And, ooh (wanting you)  
While I was wanting you, girl  
(I'm so lonely and blue)  
For that's, that's  
What love can do

And every night  
(Wanting you)  
(I'm so lonely and blue)  
That I got to bed  
I dream wonderful  
Wonderful dreams of you

And, ooh (wanting you)

While I was wanting you...
