And it rains here  
Every day since I came  
And the lichen covers rocks  
And the green hides everything  
Chimacum rain  
And the rain, and the rain, and the rain  
Rain  
And the rain, and the rain, and the rain  
Rain  
Rain  
Down around you

Chimacum  
Rain

In the soak of leaves  
And needle tufts and foam  
In the grasses and the reeds  
And the spilling over stones  
Chimacum rain  
And the rain, and the rain, and the rain  
Rain  
And the rain, and the rain, and the rain  
Rain  
Rain  
Down around  
Down around you

Chimacum  
Rain

I'm  
Spacing out  
(Spacing out, spacing out)  
I'm seeing  
Silences between leaves  
I'm  
Spacing out  
(Spacing out, spacing out)  
I'm seeing  
Silences between leaves  
He belongs

Here (can't have him)  
He belongs  
Here (can't know him)  
He belongs  
Here

It kinda gets inside you  
The silences I mean  
They kinda wrap around you  
And loosen everything  
Chimacum rain  
And the rain, and the rain, and the rain  
Rain  
And the rain, and the rain, and the rain  
Rain  
Rain  
Down around  
Down around you

Chimacum  
Rain
