Twenty-five years and my life is still  
Trying to get up that great big hill of hope  
For a destination

I realized quickly when I knew I should  
That the world was made up of  
This brotherhood of man  
For whatever that means

And so I cry sometimes  
When I'm lying in bed  
Just to get it all out  
What's in my head  
And I am feeling a little peculiar  
And so I wake in the morning  
And I step outside  
And I take a deep breath and I get real high  
And I scream from the top of my lungs  
What's going on?  
And I say, hey hey hey hey  
I said hey, what's going on?

Ooh, ooh ooh  
And I try, oh my god do I try  
I try all the time, in this institution  
And I pray, oh my god do I pray  
I pray every single day  
For a revolution.

And so I cry sometimes  
When I'm lying in bed  
Just to get it all out  
What's in my head  
And I am feeling a little peculiar  
And so I wake in the morning  
And I step outside  
And I take a deep breath and I get real high  
And I scream from the top of my lungs  
What's going on?  
And I say, hey hey hey hey  
I said hey, what's going on?

Twenty-five years and my life is still  
Trying to get up that great big hill of hope  
For a destination
