In my daydreams everything's worthwhile  
In my daydreams I ran a thousand miles  
And everybody worshiped me

In my daydreams  
Hate meant just to smile  
And the pain never bothered me

I want everything  
Everything I want  
There's no room to turn me upside down

In my daydreams  
I built my own empire  
With no color and no creed

In my daydreams  
I'm like a bird in flight  
I'm getting much too deep?

I want everything  
Everything I want

There's no room to turn me  
Upside down

I want everything, everything I want  
Yeah, yeah  
There's no time to turn me upside down.

I want everything, everything I want  
There's no room to turn me upside down

I want everything  
Everything I want  
Yeah, yeah  
There's no room to turn me upside  
Yeah yeah yeah, ohh...

In my daydreams  
I ran a thousand miles  
And everybody worshiped me
