

## Linda Perry "Success"

Visit "[Success](#)" on [MotoLyrics.com](http://MotoLyrics.com)

This is not the way it's  
Supposed to be

Spend my day in fear of all  
It sets me free

I beg your pardon  
For what I do and say  
I can hold myself to blame  
But the sure remains the same

Will success fail me?  
Will it make me free?  
What they tell me I should want?  
Is it what I need?

Hey mom, hey dad  
The story went  
Round the burning wheels of faith  
It pays the rent

Hey sister, hey brother  
I had to choose

Choose between the win and lose  
But what's the use?

Will success fail me?  
Will it make me free?  
What they tell me I should want?  
Is it what I need?

Come march come april  
Come may and june  
Let the pounding seconds go  
There's nothing I can do

Will success fail me?  
Will it make me free?  
What they tell me I should want?  
Is it what I need? (x 2)

Is there something I can do?
