I've been down but not like this before
Can't be 'round this kind of show no more

All, all that you dream
Comes through shining silver lining clouds
Clouds change the scene
Rain starts washing all those cautions into your life
Makes you realize just what is true
What else can you do
Just follow the rules
Keep your eyes on the road that's ahead of you

I've been down but not like this before
Can't be 'round this kind of show no more

All of the good times were ours
In the land of milk and honey
Time, time adds its scars
Rainy days they turn to sunny ones
Living the life, living the life, loving everyone

I've been down but not like this before
Can't be 'round this kind of show no more
I've been down but not like this before
Can't be 'round this kind of show no more
