Soon now
I'm gonna tell the people in the streets
And set 'em dancin'
Soon now I'm gonna tell the whole world
I'm in love
Soon now I'm gonna write a letter home
And tell my mother
Soon now I'm gonna tell the whole world
I'm in love

I'm in love with you
And the world is new
It feels so good to be alive
I'm in love I can't keep the news inside
Soon now I'm gonna go walkin' through the trees
And talkin' to the flowers
Soon now I'm gonna tell the whole world
I'm in love

All of my life I was lonely
Nobody cared
Nobody loved me
Now that you're here
I'm always happy happy happy
Soon now I'm gonna tell all of my friends
And they'll go party
Soon now I'm gonna tell the whole world
I mean the whole world
I mean the whole world
I'm in love
