Funny the way that I feel now
Can't keep my feet on the ground
Everything seems unreal now
When you're not around

Day dream
Why do you haunt me so?
Deep in a rosy glow
The face of my love you show

Day dream
I walk along on air
Building a castle there
For me and my love to share

Don't know the time
Lordy, I'm in a daze
Sun in the sky
While I moon around, feeling hazy

Day dream
Don't break my reverie
Until I find that he
Is daydreaming just like me

Don't know the time
Lordy, I'm in a daze
Sun in the sky
While I moon around, feeling hazy

Day dream
Don't break my reverie
Until I find that he
Is daydreaming just like me
