Look at this face
I know the years are showing
Look at this life
I still don't know where it's going

I don't know much
But I know I love you
And that may be
All I need to know

Look at these eyes
They've never seen what mattered
Look at these dreams
So beaten and so battered

I don't know much
But I know I love you
And that may be
All I need to know

So many questions
Still left unanswered
So much I've never broken through

And when I feel you near me
Sometimes I see so clearly
The only truth I've ever known is me and you

Look at this man
So blessed with inspiration
Look at this soul
Still searching for salvation

I don't know much
But I know I love you
And that may be
All I need to know

I don't know much
But I know I love you
And that may be
All I need to know

I don't know much
But I know I love you
And that may be
All there is to know
