There are some things you can't cover up with lipstick  
and powder  
Thought I heard you mention my name can't you talk  
any louder  
Don't come any closer  
Don't come any nearer  
My vision of you can't come any clearer  
Oh I just wanna hear girls talk

Got a loaded imagination being fired by girls talk  
It's a more or less situation inspired by girls talk  
But I can't say the words you want to hear  
I suppose you're gonna have to play it by ear right here  
and now

Girls talk  
And they wanna know how girls talk  
And they say it's not allowed girls talk  
If they say that it's so don't they think that I know by  
now  
That the word up on everyone's lips stick that you're  
dedicated  
You may not be an old fashioned girl but you're gonna  
get dated  
Was it really murder were you just pretending  
Lately I have heard you are the living end

Girls talk  
And they wanna know how girls talk  
And they say it's not allowed girls talk  
And they think they know how girls talk  
If they say that it's so don't they think that I know by  
now

But I can't say the words you want to hear  
I suppose you're gonna have to play it by ear right here  
There are some things you can't cover up with lipstick  
and powder  
Thought I heard you mention my name can't you talk

any louder  
Don't come any closer  
Don't come any nearer  
My vision of you can't come any clearer  
Girls talk  
And they think they know how girls talk  
And they say it's not allowed girls talk  
And they think they know how girls talk  
Girls talk, girls talk
