I'll never forget you
I'll never forget you
I'll never forget how we promised one day
To love one another forever that way
We said we'd never say
Good-bye

But that was long ago
Now you've forgotten, I know
No use to wonder why
Let's say farewell with a sigh
Let love die

But we'll go on living
Our own way of living
So you take the high road
And I'll take the low
It's time that we parted
It's much better so
But kiss me as you go
Good-bye

But we'll go on living
Our own way of living
So you take the high road
And I'll take the low
It's time that we parted
It's much better so
But kiss me as you go
Good-bye
Good-bye
Good-bye
