Some say the heart is just like a wheel
When you bend it you can't mend it
But my love for you is like a sinking ship
And my heart is on that ship out in mid-ocean

When harm is done no love can be won
I know it happens frequently
What I can't understand oh please God hold my hand
Why it had to happen to me

And it's only love and it's only love
That can wreck a human being and turn him inside out

Some say the heart is just like a wheel
When you bend it you can't mend it
But my love for you is like a sinking ship
And my heart is on that ship out in mid-ocean
