You're a doll  
Your eyes see all  
And how do I make you  
How do I make you  
How do I make you wanna see me

You're so young  
But your feelings are deep  
And how do I make you  
How do I make you  
How do I make you feel for me

You put your head on my pillow  
And you're fast asleep  
And how do I make you  
How do I make you  
How do I make you dream about me

Ooh, ooh baby  
The world's a wall of ice  
You're gonna need someone  
To treat you warm and keep you nice

I like the way you dance  
The way you spin  
And how do I make you  
How do I make you  
How do I make you spin for me

You put your head on my pillow  
And you're fast asleep  
And how do I make you  
How do I make you  
How do I make you dream about me  
Dream about me  
Dream about me  
Wooo dream about me  
Dream about me  
Wooo dream about me

Dream about me  
Wooo dream about me  
Dream about me
