Now that you find yourself losing your mind
Are you here again?
Finding that what you once thought was real
Is gone and changing

Now that you made yourself love me
Do you think I can change it in a day?
How can I place you above me
Am I lying to you when I say

That I believe in you
Oh, oh, oh I believe in you
Believe in you, ooh

Coming to you at night I see my questions
I feel wiped out
Wishing that maybe in a year or two
We can laugh and let it all out

Now that you made yourself love me
Do you think I can change it in a day?
How can I place you above me
Am I lying to you when I say?

That I believe in you
Oh, oh, oh I believe in you
Oh, oh, oh I believe in you
Ooh
