I get along without you very well
Of course I do
Except when soft rains fall
And drip from leaves
Then I recall
The thrill of being sheltered in your arms
Of course I do

But I get along without you very well
I've forgotten you
Just like I should
Of course I have
Except to hear your name
Or someone's laugh that is the same
But I've forgotten you
Just like I should

What a guy
What a fool am I
To think my breaking heart could kid the moon
What's in store
Should I fall once more
No it's best that I stick to my tune

I get along without you very well
Of course I do
Except perhaps in spring
But I should never think of spring
For that would surely
Break my heart in two

What's in store
Should I fall once more
No it's best that I stick to my tune

I get along without you very well
Of course I do
Except perhaps in spring
But I should never think of spring
For that would surely
Break my heart in two
