If I were you
I'd be happy just knowing that
Somebody loved me
If I were you
I'd be sad that somebody was
Lonely without me
If I were You
I know just what I would do
I'd fall in love too

If I were you
I'd have been in love all along
And for a song I'd just up and leave
Everything that I had behind
I wouldn't mind it
If I were you
I know just what I would do
I'd fall in love too

I believe
A love like mine
Just can't be taken lightly
And in time it will win you over
You will see
That my love won't wither like the others
You're never going to get a better offer

If I were you
Then I wouldn't cry all the time
I'd open my eyes and I would see
There is someone so in love with me
That's all that I need
If I were you
I know just what I would do
I'd fall in love too
