Just one look and I fell so hard
In love, with you, oh oh
I found out how good it feels
To have, your love, oh oh

Say you will, will be mine
Forever, and always, oh oh
Just one look and I knew
That you were my only one, oh oh

I thought I was dreaming
But I was wrong, oh yeah yeah
Ah but I'm gonna keep on scheming
Till I make you, make you my own

So you see, I really care
Without you I'm nothing, oh oh
Just one look and I know
I'll get you someday, oh oh

Just one look
That's all it took, hah, just one look
That's all it took, woah, just one look
That's all it took, baby
(That's all it took, just one look)
You know I love you baby
(That's all it took, just one look)
I'll build my world around you
(That's all it took, just one look)
(That's all it took, just one look)
Come on baby
(That's all it took)
