Mariquita se llamaba  
La que vive junto al río  
Támpame con tu rebozo  
Que ya me muero de frío

Si porque me la llevé  
Su mamá se me enoja; \*  
Ahora que me lleve a mi  
A ver si me enoja yo

Mariquita dame un beso  
Tu mamá me lo mandó  
Mi mamá mandará a mi \*  
Pero es mi boquita yo \*

La Mariquita (Lady Bug)

Mariquita she was called  
The girl that lives by the river  
Cover me with your shawl

Because I am dying of cold

Because I took her away  
Her mother was mad at me  
Now that she is the one who takes me away  
Let's see if I get mad at her

Give me a kiss Mariquita  
Your mother has ordered me to do so  
My mother can give me orders  
But she can't tell me who to kiss
