There's a lot to learn
For wasting time
There's a heart that burns
There's an open mind
Look out for my love
Look out for my love
Look out for my love
Look out for my love

You own it
You own it now
You own it

There's a weight on you
But you can't feel it
Living like I do
It's hard for you to see it
Was I hurt too bad
Can I show you daylight
How can I be sad
When I know that you might
Look out for my love
Look out for my love

Look out for my love
Look out for my love

Look out for my love
It's in your neighborhood
I know things are gonna change
But I can't say bad or good
There's a lot to learn
For wasting time
There's a heart that burns
There's an open mind
Look out for my love
Look out for my love
Look out for my love
Look out for my love

Look out for my love
Look out for my love
Look out for my love
