Una blanca palomita, una blanca palomita  
De ojos negros... negros... negros...  
Se parÃ³ en mi ventanita a contarme su pena  
Me delito tiene espinas  
Ya no las puedo aguantar

Tristemente me contaba cuando en eso las campanas  
De una iglesia chiquitita  
Asustaron a la ingrata, y a su nido fue a parar  
Sin que pudiera decirle que su mal era mi mal

Paloma... Paloma...  
Justamente te pareces a mi alma  
Paloma... Paloma...  
Justamente eres hermana de mi mal

A Little White Dove with Black Eyes

A white little dove  
With black eyes... black... black...

Stopped in my little window to tell me her sorrows  
My conscience is prickling me  
I can't take it anymore

She was speaking sadly  
When the ringing of the church bells  
Frightened her back to her nest  
I did not get to tell her that her troubles were just like  
mine

Little dove... little dove...  
You are my soulmate  
Little dove... little dove...  
You are my sister in misfortune
