Past three o'clock
And a cold frosty morning
Past three o'clock
Good morrow masters all

Church bells are chiming
Ding dong, ding dong
One two three four five six seven eight nine ten
Eleven
Till the midnight sun shines

Church bells are chiming
Heaven with earth rhyming
In child so tender
Sun's radiant splendor

Church bells are ringing
People are singing
Midnight's dark shadow
Breaks with the sun's morrow

Past three o'clock
And a cold frosty morning
Past three o'clock
Good morrow masters all
