Nadie comprende lo que sufro yo
Canto, puÃ© ya no puedo sollozar
Solo temblando de ansiedad estoy
Todos me miran y se van

Mujer, si puedes tÃ© con Dios hablar
PregÃ©ntale si yo alguna vez
Te he dejado de adorar

Y al mar espejo de mi corazÃ³n
Las veces que me ha visto llorar
La perfidia de tu amor

Te he buscado por dondequiera que yo voy
Y no te puedo hallar
Para quÃ© quiero tus besos
Si tus labios no me quieren ya besar

Y tÃ© quiÃ©n sabe por dÃ©nde
andarÃ©
QuiÃ©n sabe quÃ© aventura
tendrÃ©
QuÃ© lejos estÃ©is de mÃ©

Perfidia

No one understands what I suffer

I sing, well I can't sob anymore
I am only trembling from anxiety
They all look at me and leave

Woman, if you can speak with God
Ask him if I, at any time
Ever stopped adoring you

And the ocean, mirror of my heart
The times it has seen me cry
The (faithlessness?) of your love

I have looked for you everywhere I go
And I can't find you

What do I want your kisses for
If your lips no longer want to kiss me

And you, who knows where you are
Who knows what adventure you may have
How far you are from me
