Este corazÃ³n que aÃ± te adora
Ya estÃ´ muriendo tarde con tarde
Como se muere la luz del dÃ­a
Ya no puedo mÃ¡s
Tu me haces falta
Vuelve conmigo
Alma de mi alma
Vidita mÃ¡

AdÃ³nde estÃ¡i... adÃ³nde estÃ¡is...
MÃ¡tame cielo
TrÃ¡game tierra
LÃ¡vame Cristo
Si no vuelve mÃ¡s

Ya podrÃ¡s tener el mundo entero
Y entre tus manos
Toda la dicha
De otro carÃ±o mejor que el mio

Pero ya verÃ¡s que todo acaba
Y al verte solo
Como hoy me siento
Siempre hace frio
AdÃ³nde estÃ¡is... adÃ³nde estÃ¡is...

Always Cold

This heart
That still adores you
Is now dying
Afternoon by afternoon
Like the light at the end of the day
I can't go on
I miss you
Come back to me
Soul of my soul
My dearest little life

Where are you... Where are you

Kill me heaven
Swallow me earth
Take me Jesus
If he doesn't come back

You may have all the world
To hold in your hands
All the happiness of another love
Better than mine

But you'll see
When everything is over
You'll be alone
As I am now
Always cold
