Where have you gone my darling one  
Are you on your own  
Are you having fun  
Is there someone to hold when you need it bad  
Is it uncontrolled like the love we had

Does the day go by like a memory  
Do you ever try to remember me  
In an automobile or a crowded bar  
Well I hope you're all right wherever you are  
And if you're still within the sound of my voice  
Over some radio  
I just want you to know  
You were always my only choice  
And wherever you go  
That I still love you so  
If you're still within the sound of my voice

In the dead of night  
Do you hear me call  
Something's not quite right  
No one's there at all  
Did you make a mistake  
Was it in your head  
Or was it really me talking  
To your heart instead

And if you're still within the sound of my voice  
Watching this video  
I just want you to know  
That it always made me rejoice  
Just to have you so near  
There's a place for you here  
If you're still within the sound of my voice

I am calling like the echo of a passing train that cries  
One last time before it fades into the distant hills and  
dies  
I am sending out a message like a ship out on the sea

In distress but only you can send a lifeline out to me

Are you still within the sound of my voice  
Why don't you let me know  
I just can't let you go  
If it's wrong then I have no choice  
But to love you until I no longer have a will  
Are you still within the sound of my voice

I am calling like the echo of a passing train that cries  
One last time before it fades into the distant hills  
And dies
