You don't know how I feel  
You don't seem to care  
If I let you see it through my eyes  
You wouldn't see anyone there

It's no wonder I been crying  
It's no wonder that I'm blue  
My crazy heart was gone  
And let somebody know  
When it's time for me to go

Tired of being lonely  
Tired of what you do to me  
Hear it raining in my heart  
Well, I've been lonely before  
But I've been so long without sunlight  
I can't take another day more

No wonder I been crying  
It's no wonder I been blue  
My crazy heart can't tell me why  
I can't tell you goodbye  
Oh no, I'm tired of all this tragedy  
I'm giving you back your misery

You better put on a fast one  
I think I'm gonna pull through  
You better play another fast one  
No matter what you do

Put your money in a fast one  
I don't wanna hear the blues  
Put on another fast one  
Trying to forget about you

Well, it ain't no wonder I been crying  
It's no wonder I been blue  
My crazy heart can't tell me why  
I can't tell you goodbye  
Darling, I'm tired of being lonely  
Tired of what you put me through

Now you better put on a fast one  
If you want me to pull through  
You better play another fast one  
No matter what you do

Put your money in a fast one  
I don't wanna hear the blues  
Put on another fast one  
Trying to forget about you
