It's a cinch that I've been wrong  
And it's clear it's not been long  
Since I was hard on you  
But now a time has come  
When yesterday don't mean nothin'  
Now I'm in love with you  
And you've taken me the long way around

Take a look how young we are  
A month has changed the moon and the stars  
Changing the things we do  
You've been lookin' for something strong  
When other things don't mean nothin'  
Now I'm in love with you  
And you've taken me the long way around

Well I can't see beyond the doubt that's in your eye  
It's on the outskirts of my fading alibi

It's a cinch that I've been wrong  
And it's clear it's not been long  
Since I was hard on you  
But now a time has come  
When yesterday don't mean nothin'  
Now I'm in love with you  
And you've taken me the long way around  
Now I'm in love with you  
And you've taken me the long way around
