Written by Tom Petty

Â© 1981 Gone Gator Music (ASCAP)

Oh baby don't it feel like heaven right now  
Don't it feel like something from a dream  
Hey I've never known nothing quite like this  
Don't it feel like the night might never be again  
Baby we know better than to try and pretend  
Honey, no one could've ever told me about this  
I said yeah yeah  
Yeah yeah yeah yeah

The waiting is the hardest part  
Every day you see one more card  
You take it on faith  
You take it to the heart  
The waiting is the hardest part

Well yeah you might've chased a couple women  
around  
Oh all it ever got you is down  
Yeah then there were those that made me feel good  
But never as good as I feel right now  
Baby you're the only one that's ever known how  
To make me want to live like I want to live now  
I said yeah yeah  
Yeah Yeah Yeah Yeah

The waiting is the hardest part  
Every day you get one more yard  
You take it on faith  
You take it to the heart  
The waiting is the hardest part

Oh, don't let it kill you babe  
Don't let it get to you  
Don't let it kill you babe  
Don't let it get to you  
I'll be your bleeding heart  
I'll be your crying fool  
Don't let this go too far  
Don't let it get to you

(guitar break)

I said yeah yeah  
Yeah Yeah Yeah Yeah

The waiting is the hardest part  
Every day you get one more yard  
You take it on faith  
You take it to the heart  
The waiting is the hardest part

The waiting is the hardest part

(mandolin break)

It's the hardest part  
It's the hardest part

-----
