Those memories of you still haunt me  
Every night when I lay down  
I'll always love you little darling  
Until the day they lay me down

In dreams of you my body trembles  
I wake up and call your name  
But you're not there and I'm so lonesome  
Without your love I'd go insane

Those memories of you still haunt me  
Every night when I lay down  
I'll always love you little darling  
Until the day they lay me down

I close my eyes and you're there with me  
Your kiss I feel your face I see  
It's not your lips now that drive me crazy  
It's just your haunting memory

Those memories of you still haunt me  
Every night when I lay down  
I'll always love you my little darling  
Until the day they lay me down  
Until the day they lay me down
