Written by Wayne Raney (BMI)

Well you can read it in the morning papers  
Hear it on the radio  
Crime is sweeping the nation  
This world is about to go

We need a good old case of salvation  
To put the love of God in our souls  
We need a whole lot more of Jesus  
And a lot less rock and roll

We need more old time camp meetings  
And a lot more prayers of faith  
Prayers that will move a mountain  
Save our souls from the burning waste

We need a good old case of salvation  
To put the love of God in our souls  
We need a whole lot more of Jesus  
And a lot less rock and roll

We need more old fashioned preachers  
Pouring out their hearts in prayer  
When you're in their presence  
Well you know that the Lord is there

We need a nationwide revival  
To put the love of God in our souls  
We need a whole lot more of Jesus  
And a lot less rock and roll

We need a whole lot more of Jesus  
And a lot less rock and roll
