Well you can read it in the morning papers
Hear it on the radio
Crime is sweeping the nation
This world is about to go

We need a good old case of salvation
To put the love of God in our souls
We need a whole lot more of Jesus
And a lot less rock and roll

We need more old time camp meetings
And a lot more prayers of faith
Prayers that will move a mountain
Save our souls from the burning waste

We need a good old case of salvation
To put the love of God in our souls
We need a whole lot more of Jesus
And a lot less rock and roll

We need more old fashioned preachers
Pouring out their hearts in prayer
When you're in their presence
Well you know that the Lord is there

We need a nationwide revival
To put the love of God in our souls
We need a whole lot more of Jesus
And a lot less rock and roll

We need a whole lot more of Jesus
And a lot less rock and roll
