Listen here people now
I'm about to sing my song
Well I'm going to St. Louis
And I won't be long
'Cause I'm wild about my lovin'
And I like to have my fun
If you want to be a regular girl of mine babe
Bring it with you when you come

I'm crying sergeant
Sergeant please
Well the women 'round here
Won't let me see no peace
'Cause I'm wild about my lovin'
And I like to have my fun
If you want to be a regular girl of mine babe
Bring it with you when you come

Oh well I ain't the ice man
And I ain't the ice man's son but baby
I can keep you cool until the ice man comes
'Cause I'm wild about my lovin'
I like to have my fun
If you want to be my girl babe
Bring it with you when you come

Oh well I ain't the grocery man
I ain't his son but baby
I can give you everything you need until he comes
'Cause I'm wild about my lovin'
I like to have I like to have I like to have
I like to have my fun
If you want to be my girl babe
Bring it with you when you come

Well, well, well hello Mr. Fancy Dan
I've been in Washington D.C.
Well I've been gonna call you all night long
To tell you that my baby's gone from me

Now I'm wild about my lovin'
And I like to have my fun woah-oh

Bring it with you when you come

Hello Central

What's wrong with your line

Well I'm trying to get in touch

With that sweet girl of mine

'Cause I'm wild about my lovin'

And I like to have my fun

If you want to be a regular girl of mine babe

Bring it with you

If you want to be a regular girl of mine babe

Bring it with you when you come
