I been warped by the rain, driven by the snow  
I'm drunk and dirty, don't you know  
But I'm still willin'

Out on the road late last night  
I'd see my pretty Alice in every headlight  
Alice, Dallas Alice

And I've been from Tucson to Tukumcari  
Tehachapi to Tonopah  
Driven every kind of rig that's ever been made  
Driven the backroads so I wouldn't get weighed  
And if you give me weed, whites and wine  
And you show me a sign  
And I'll be willin' to be movin'

And I've been kicked by the wind, robbed by the sleet  
Had my head stove in but I'm still on my feet

And I'm still willin'

And I smuggled some smokes and folks from Mexico  
Baked by the sun every time I go to Mexico  
Ah but I'm still...

And I've been from Tucson to Tukumcari  
Tehachapi to Tonopah  
Driven every kind of rig that's ever been made  
Driven the backroads so I wouldn't get weighed  
And if you give me weed, whites and wine  
And you show me a sign  
And I'll be willin' to be movin'
