Look at this face  
I know the years are showin'  
Look at this life  
I still don't know where it's goin'

I don't know much  
But I know I love you  
And that may be  
All I need to know

Look at these eyes  
They never seen what mattered  
Look at these dreams  
So beaten and so battered, ooh

I don't know much  
But I know I love you  
And that may be  
All I need to know

So many questions still left unanswered  
So much I've never broken through  
And when I feel you near me sometimes I see so clearly  
The only truth I've ever known is me and you

Look at this man  
So blessed with inspiration  
Look at this soul  
Still searching for salvation

I don't know much  
But I know I love you  
And that may be  
All I need to know

I don't know much  
But I know I love you  
That may be  
All I need to know

I don't know much  
But I know I love you

That may be  
All there is to know, woah ah
