When something is wrong with my baby, something is
wrong with me
And if I know that she's worried, I know I'd feel the
same misery
We've been through so much together, we stand as
one, that's what makes it better
When something is wrong with my baby, something is
wrong with me

And just what she means to me now, oh, you just, you
just wouldn't understand
People can say that she's no good, but she's my
woman and I know I'm her man
And if he's got a problem, whoa, I know I gotta help him
solve them
When something is wrong with my baby, something is
wrong with me

When something is wrong with my baby, something is
wrong with my baby
When something is wrong with my baby, something is
wrong with me
