Tonight my bag is packed

Tomorrow I'll walk these tracks

That will lead me 'cross the border

Tomorrow my love and I

We'll sleep 'neath auburn skies

Somewhere across the border

We'll leave behind my dear

Pain and sadness we've found here

And we'll drink from the Brazos' muddy waters

Where the sky grows gray and wide

We'll meet on the other side

There across the border

For me you'll build a house

High upon a grassy hill

Somewhere across the border

Where pain and memory

Pain and memory have been stilled

There across the border

Sweet blossoms fill the air

Pastures of gold and green
Roll down into cool clear waters
And in your arms 'neath open skies
I'll kiss the sorrow from your eyes
There across the border
Tonight we'll sing the songs
And I'll dream of you, my corazon
And tomorrow my heart will be strong
And may the saints' blessing and grace
Carry me safely into your arms
There across the border
For what are we
Without hope in our hearts
That someday we'll drink from God's blessed waters
And eat the fruit from the vine
I know that love and fortune will be mine
Somewhere across the border
