Falling down

I'm falling down

I need to sleep

Come a long long way

No time for weeping

No time for weeping

Quiet now

I'm falling down

I'm falling down

I have heard a million tales

I have told a million more

Some of them must have been true

But I don't know anymore

I'm falling down

Do your dance on my head

Heavy steps of the dead

Everything the snow surrounds

Falling falling falling falling

I'm falling

I'm falling

Down

I'm falling downo
