Two good friends  
Friday night  
A chick flick in the VCR  
I watched you  
Roll your eyes  
And knew I'd have to twist your arm when you said  
"You expect a guy like me to sit and watch this mushy  
stuff!"  
They always fall in love when they first meet  
That never happens to folks like us."  
But I just sat there and grinned  
Tried not to laugh out loud cause I remember when  
It happened to me just a few months back  
In the middle of the week and just like that  
Got weak in the knees  
A little short of breath  
Man I had it bad and boy I bet  
It would blow your mind if you only knew  
It happened to me  
When I met you  
I heard you say  
You're not like me  
You don't believe in fairy tales  
I bit my tougue  
Didn't speak  
I sat there thinking to myself that  
I used to feel the way you feel  
I thought  
Love was fake and make-believe right up until  
It happened to me just a few months back  
In the middle of the week and just like that  
Got weak in the knees  
A little short of breath  
Man I had it bad and boy I bet  
It would blow your mind if you only knew  
It happened to me  
When I met you  
I used to feel the way you feel  
I thought  
Love was fake and make-believe right up until  
It happened to me just a few months back

In the middle of the week and just like that  
Got weak in the knees  
A little short of breath  
Man I had it bad and boy I bet  
It would blow your mind if you only knew  
It happened to me  
When I met you  
When I met you  
You  
When I met you  
You  
When I met you...
