Eat the tangerine
eat the tangerine
eat the tangerine
..it will treat you well
when i was young i used to read the funny papers and
i'd
eat my tangerine and
when i was done i'd be rolling on the floor laughing at
the
funny things that i had seen but
there was one strip yeah it filled me full of hatred and i
think you know you know what i mean
it was the circle at the bottom with those circle headed
kids by
that yellow bellied mother scratcher -- bil keane

that's why i....
[chorus]
used to have a job -- nothing special it paid five twenty-
five
every so often a customer'd walk in
just to remind me that i was alive
but then one day my boss said, "jeff, grab a chair" --
he said "i'm gonna have to take you take you aside"
well the dirty bastard fired me but lucky for him
i had my tangerine to keep me from homicide
that's why i....
